HEATING & COOLING

Heating | Air Conditioning | Indoor Air Quality | Plumbing

home

/ hōm / noun

The place where you should feel comfortable every season of the year, through every season of life.

With more than 65 years in business, Bovard has seen many seasons come and go. Through it all, we've helped create dependable comfort for thousands of home owners. And we can do it for you.

All Season. All Comfort. All Bovard.

EVERY SEASON brings different challenges when it comes to home comfort. At Bovard, we provide solutions that stand up to seasonal changes so you never have to worry. Our comprehensive services, supported by a team of NATE certified technicians and installers, keep your home comfortable, no matter the weather.

Heating

From installations to emergency repairs, we keep you warm with high-quality furnaces, boilers, and both ductless & traditional heat pumps.

Indoor Air Quality

Breathe easy with Bovard's air purification and humidity control solutions. We offer humidifiers, air filters, UV air purifiers, and ventilation systems.

Cooling

Beat the heat and humidity with high-efficiency air conditioning and ductless cooling systems.

Plumbing

Whether it's installation, repairs or service, Bovard is the name you can trust. We offer everything from water heaters, to water softeners, to leak detection and drain cleanings.

Maintenance

Keep your HVAC and plumbing in peak condition before each season arrives with proactive system check-ups and our preventive maintenance plans.

COMFORT comes in many forms. With Bovard, we bring you the comfort of environment as well as the comfort that comes from peace-of-mind. We have over 40 knowledgeable employees with decades of experience who oversee your systems from installation to ongoing maintenance, to emergency service. It's the reason we've been in business for over 65 years.

Service & Maintenance

Just like your vehicle, your HVAC and plumbing equipment should be serviced and maintained regularly. This extends the life of your equipment and maximizes its efficiency, saving you money. Bovard provides comprehensive maintenance agreements for all of your heating, cooling & plumbing equipment – even if we didn't install it.

Financing

We know that your HVAC equipment can be one of the biggest investments in your home. Bovard offers manageable solutions for financing new installations as well as service or repairs. Talk to us. We'll help find the best option for you.

A LEGACY OF COMFORT, BUILT ON TRUST.

Everything we do is tailored to your needs. We don't rely on cookie-cutter solutions. The proper sizing of equipment, the layout of your home, and how you use each room are crucial factors in ensuring your HVAC or water system operates efficiently. This expertise is developed over time and through experience, and it truly makes a difference.

Skilled Technicians

Our technicians are NATE certified and continually undergo professional development, safety training, and cutting-edge education. This keeps Bovard at the forefront of the industry.

Upfront Pricing

You know the price before we do the work. No hidden fees. **No surprises.**

100% Satisfaction Guaranteed

Your comfort is our commitment. If you are not 100% satisfied with the performance of your new installation within the first year, we will refund your money and remove the equipment. This is an unprecedented offer in our marketplace, but it's OUR promise to you.

Turn to the experts

High-Performance Systems

Our customers get the very best in HVAC and plumbing equipment. As a Mitsubishi Electric Diamond Elite Contractor and Carrier Factory Authorized Dealer, Bovard offers you industry-leading warranties, including 12-year parts and labor warranties.

No matter the
weather outside,
you deserve to
be comfortable
inside your home.
